Be Master of Your Health

A LMOST every man realizes in a general way that "success is to the strong."

But he does not always apply this rule in his own case and keep his own system in condition.

These days the worry and strain on the nervea is tremendous. Almost daily we are shocked by learning of the death of some prominent man.

The unusual strain has proved more than he could bear.

Many who have are affected.

than he could bear.

Many who have worked just as hard are standing the strain because of the attention they have given to keeping their vitality at high watermark.

their vitality at high watermark.

Some are able to do this by outdoor exercise and a carefully regulated, diet, while to there shall be a carefully regulated, diet, while to the shall be a carefully regulated, the water to the shall be a careful and the shall be a careful and the shall be a careful and treatment imaginable, for it supplies in condensed and easily assimilated form the vital substances which go to form new, rich/blood, and thereby feed the nerves back to health and vigor.

As an illustration of what Dr. Chase's Nerve Food is doing for business menjust read this letter i

Mr. William H. Kennedy, Gloucestor Street, Cornwall, Ont., writes: For the last two years I have been suffering from unily great way been suffering from unily getting worse all the time. Last summer, during the bot weather, doing extra work brought on. tho. climar. I was taken with nervous prostration, feeling diszy, siet at my stomach, the nerves only the street of the desired of the pit of my stomach the nerves would beat quite perceptibly. I have given many remedies a thorough trail, paironteed as overal doctors, and spent hendreds of dollars withhospital for a short time, living, on eggings: I was told that there was no hope. I could not began to relate the power of the street of the stree

wiz.

The Story of the

They Fought Spiendidly and Died Gallandly

"I want eighty men of the regiment to voluntifer for, a dangerous adventure. They will remain behind when the column moves off and do all that is, possible to, cover the withdrawal the column moves off and do all that is, possible to, cover the withdrawal the column moves off and do all that is, possible to, cover the withdrawal will be no surrender but they will stand—to the last—with me." These simple words, spoken four years ago sent the possible to the British expeditionary force rested for a brief hour along the Oise, on the La Fers-Noyon belief to the British expeditionary force rested for a brief hour along the Oise, on the La Fers-Noyon the Class on the La Fers-Noyon the column movel off and the whole the column movel off and the whole the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to stay behind the column movel off and the men who had chosen to s

Death of C. Piccini Dist of C. Piccinf
Föllowing but a brief attack of
influence and pneumonia, death out
Saturday night claimed one of our
best known Italian oblizens in the
person of C. Piccini, better known
as "Louie." Louie was about thirty years of age. During the past
eight weeks he loat his father in
Italy, and a brother and sister in
Italy, and a brother and sister in
Canacia, all victims—of the flui.
The brother, who died at Trail, B.
C., lef a small amount of money to
Louie, which he invested for a part Louie, which he invested for a part interest in the Sartoris poolroom.

He is survived by a married sister, who resid a t Coleman. Interment took place at Blairmore on Monday afternoon.

Card of Thanks

Lines From A Patient At The San

Will you spare a molicut, and read this if you pleased
"They're lines that are written by an Army man
On behalf of a few soldiers who're stricken with dises
And are living in a place we call a San.
Mostly all of us have been "over there,"

But cold and rain played havor with our cliest.

Now for months we must stay h⁹re, and have the best of care

And take the only cure, which is rest.

As time is rolling on, and Christmas is so near,

We would like to thank you all for what you've done
To brighten up our days, while we've been patients here,
So these wishes do we send to everyone.

To these wisnes do we sent to everyone.

To the people of Alberta, who have helped in many a way,
By donations, books and things to fill a blank,
May you, this Christmas Day, be happy, bright and gay.

Is the wish of all the boys who are at Frank.

Luck Was With Him

A stranger arrived one day in a
busy provincial town and gazed
around uncertainty. Presently he
spotted a man who appeared to be a
native.

"Excredible to of this town?"
"I am," espoined the other. "What
can I do for you?"
"I am espoined the other. "What
can I do for you?"
"I am espoined the other. "What
can I do for you?"
"I am espoined the other."
"I am seeking a criminal lawyer,
replied the stranger. "I wonder if
you could direct me to one? the nalive, "but, mind you, we've never actflally proved it against him."—London Tit-Bits.

Beautify your Complexion

and rid the skin of unsightly blemishes, quicker and surer, by putting your blood, stomach and liver in good order, than in any good order, than in any otherway. Clear complexion, bright eyes, rosy cheeks and red lips follow the use of Beecham's Pills. They eliminate poisonous matter from the system, purify the blood and tone
